SCOGOS, (SGS) SCOGOSTOLOGY, (SGSG) is the sublime science and technology of the harmonious development of the hidden potential of a human being that helps him or her to integrate his/her body, mind and spirit so as to become **SPIRITUALLY ENLIGHTENED** or to attain **COSMIC CONSCIOUSNESS**, thereby making him a **CHRISTOLOGIST** or **CHRISTOLOGICIAN** or **GALACTICA**

HUMANA or **GALAHUMAN** or **GALAHUMANOLOGIST** or **GALAHUMANOLOGICI**AN or **GALACTOLOGIST** or**GALACTOLOGICIAN**.

The **GOD** of **SCOGOSTOLOGY, (SGSG)** is called **VOIDON**.

(Voidon means that which has no beginning, end, shape or size and beyond human mind and soul.)

There are knowable and unknowable parts of **VOIDON**.

Nothing can be said about the unknowable **VOIDON**.

(Because it is beyond human mind and intellect.)

The knowable **VOIDON** is made up of two parts.

The visible and invisible **VOIDONS**.

Nothing can be said about the invisible **VOIDON**.

(Because it is beyond space and time.)

It is the foundation or permanent part of the visible **VOIDON**.

The **VISIBLE VOIDON** arises from the **INVISIBILE VOIDON** and in the end, goes back to sleep inside the **INVISIBILE VOIDON**.

The **VISIBLE VOIDON** manifests its forces and powers through "**NAKED SINGULARITY**"

This generates or creates all the forces of the **COSMOS** and its various **FORMS** that make up the **VISIBLE EXISTENCE** or **OBJECTIVE WORLD**.

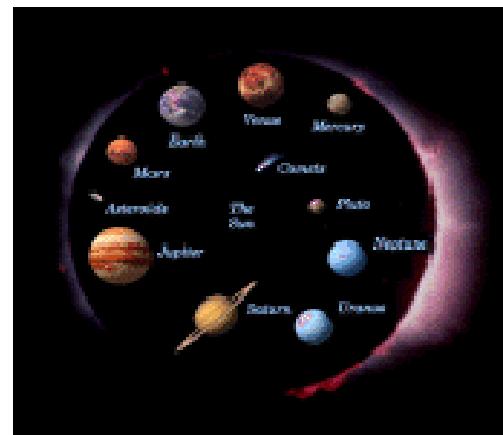

The Objective physical Cosmos is made up of different rates of vibrations, which give rise to its various different dimensions and beings.

The difference between one being and another is their different rates of vibrations.

A **VIBRATION** is invisible **VOIDON** that is present in every visible form of VOIDON.

The different speeds of these motions are what cause the different forms and beings in the Cosmos.

The different dimensions or levels of beings or Existence is also due to the different rates of motion of **SPACE-TIME**. The different rates of motion of space gives rise to different sizes of beings while different rates of vibration of time gives rise to differences in the hierarchies of the beings.

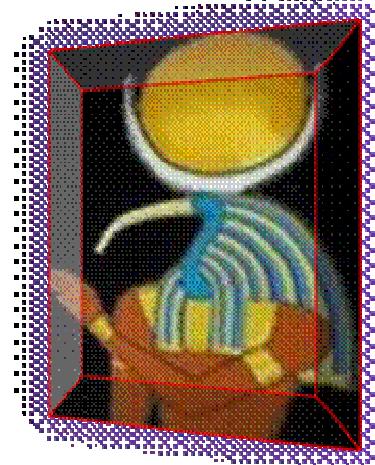

Space is a dimension. It is relative to time. Time is also a dimension, but higher than space.

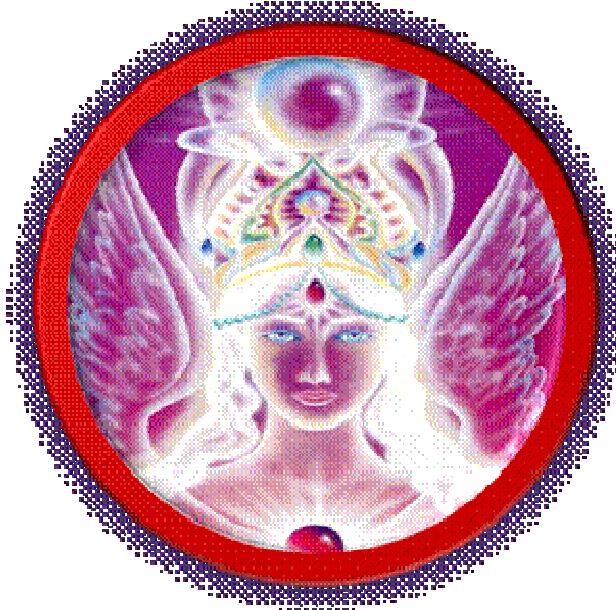

The differences in the vibrations of space and time, give rise to different spaces and times.

What is space to one observer may be time to another obsever.

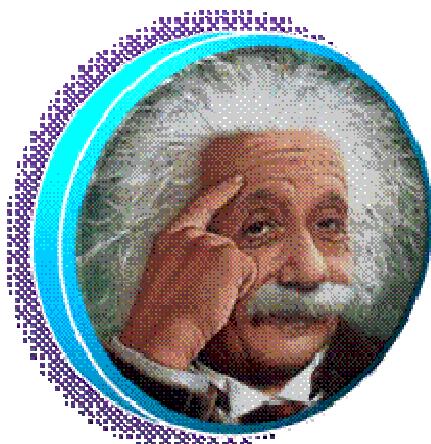

What is space to another observer may be time to another.

Visible VOIDON manifests its power and force through the **GRAND UNIFIED FORCE FIELD** of "**NAKED SINGULARITY**" which becomes the mother of the **Omniverse, Cosmos, Universes, Clusters of Galaxies, Galaxies, Constellations of Solar Systems, Solar System, planets, beings, human beings, animals, nature and the physical world.**

THE TWO PARTS OF SCOGOSTOLOGY, (SGSG)-GALAHUMANISM, (GMM), OR GALACTOLOGY, (GLG):

THERE ARE TWO PARTS OF SCOGOSTOLOGY, (SGSG)-GALAHUMANISM, (GMM), THE OUTER AND INNER PARTS.

(A) The **OUTER PART**, (which is the "BODY" of **SCOGOSTOLOGY, (SGSG)-GALAHUMANISM, (GMM)** which is made up of **THREE PARTS, SCOGOS (SGSG) TRUST and THIRD PART OF SCOGOSTOLOGY, (SGSG)-LIFEOLGY, (WHICH IS THE SCIENCE AND TECHNOLOGY RESEARCH INSTITUTES) and SCOGOSTOLOGY (SGSG) TECHNOLOGISM**

(B) The **INNER PART** (which is made up of **THREE PARTS, its "MIND", "SPIRIT" and the "SOUL."**)

(1) THE OUTER PART, THE BODY OF SCOGOSTOLOGY, (SGSG)-GALAHUMANISM, (GMM), IS CALLED SCOGOS CHURCH, CALLED "TRUST."

The **OUTER BODY, SCOGOS TRUST CHURCH** is divided into **THREE PARTS.**

(a) The **FIRST** is called **TRUST (SCOGOS CHURCH.)**

TRUST means "**Therapeutic Religious Union For Self-Transformation**"
TRUST is **SCOGOS (SGS) CHURCH** and is made up of- The **SCOGOSTOLOGY, (SGSG)-GALAHUMANISM, (GMM)**, organizations, hierarchies, posts, functionaries, administrations, different deprogramming workshops, laws, ethics, socials, jurisprudence, contracts, morality, TMT projects, ceremonies and professions and work and others.

(b) The **SECOND** is called **SCOGOSTOLOGY LIFEOLGY** (which is made up of **SCOGOSTOLOGY, (SGSG) SCIENTIFIC RESEARCH INSTITUTES CALLED LIFEOLGY CENTERS or ACADEMIES.**)

(c) The **THIRD** part of the outer body is **SCOGOSTOLOGY, (SGSG) TECHNOLOGISM** that is made up of **SCOGOSTOLOGY, (SGSG) UNIVERSITIES** called **TESLA UNIVERSITY OF TECHNOLOGY (TUT)**.

(2) THE INNER PART OF SCOGOSTOLOGY, (SGSG)-GALAHUMANISM, (GMM), IS CALLED "TST"

TST means "**Transcendental Spiritual Technology**"

"**TST**" is divided into **THREE PARTS,**

(a) The "**MIND**", that reveals the "**TMT-SDS**", (which means "**TRANSCENDENTAL MENTAL TECHNOLOGY, THE SPIRITUAL DEVELOPMENT SYSTEM**")

(b) The "**SPIRIT**" and

(c) The **SOUL**, called "**T.I.T-GDS,**" which is **SCOGOSTOLOGY, (SGSG) - SCOGOSTOLOGISM, (SGGM)- GALAHUMANISM, (GMM) or GALACTOLOGY (GLG).**

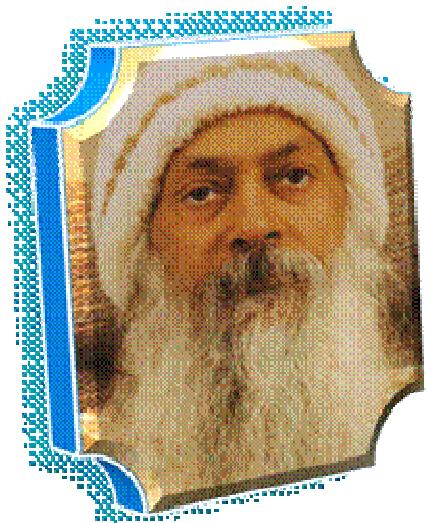

THE DETAILS OF THE THREE PARTS OF THE INNER PART OF SCOGOSTOLOGY, (SGSG)

(A) THE MIND: The teachings of SCOGOSTOLOGY, (SGSG)

(B) THE SPIRIT: TMT-SDS: TRANSCENDENTAL MENTAL TECHNOLOGY, SPIRITUAL DEVELOPMENT SYSTEM

(A Human Potential Development Science, PDS), that is the spirit of SCOGOSTOLOGY, (SGSG)-GALAHUMANISM, (GMM).

It is called **SCOGOSTOLOGY, SGSG, PSYCHOGNOSTICPHYSICS** which begins with- the practice of **ROSHOLOGY (RSG) 112 techniques of awareness**, the **TMT-SDS** programs which are also called **Psychognosticism, Psychognosis, Psychognostic Techniques, Psychognoticianity (PGN) and Psychognostology (PGG), Psychognostologism, (PGGM))**

TMT-SDS: Transcendental Mental Technology, Spiritual Development System is also divided into **TWO PARTS:**

(A) MICROPHYSICS

and

(B) MACROPHYSICS.

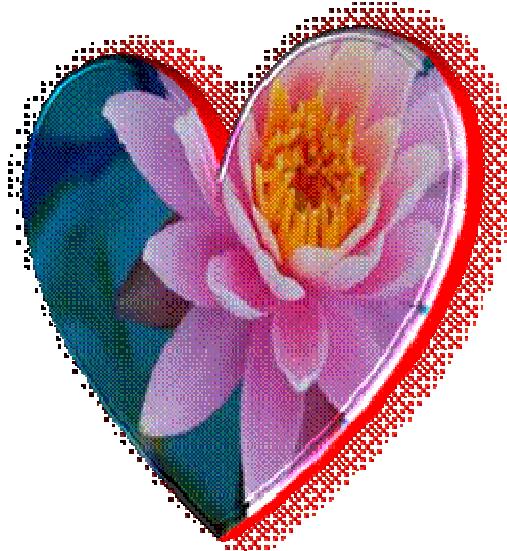

MACROPHYSICS is the **OBJECTIVE MIND**; while **MICROPHYSICS** is the **SUBJECTIVE MIND** of **TMT-SDS**.

TMT-SDS is the powerful SECRET science of creating AWARENESS so as to know and develop the inner (Micro) and outer (Macro) worlds (= Microphysics and Macrophysics) of a human being in order to evolve into a higher being in the Hierarchy of Beings in the Universe.

(C) THE SOUL: T.I.T-GDS: TRANSCENDENTAL IMMORTAL TECHNOLOGY-THE GALAHUMANOLOGICAL DEVELOPMENT SYSTEM.

"**T.I.T-GDS**" is the **SOUL OF SCOGOSTOLOGY, (SGSG)- GALAHUMANISM, (GMM)** - It is made up of the **360 degrees** of Science of Enlightenment and Immortality to become **GALACTICA Humana**.

"**T.I.T-GDS**" is the alchemical and hermetic union of subjective and objective sciences of reality and existence achieved through the knowing, development and harnessing of the inner and outer powers of the mind in order to become enlightened, achieve Immortality and evolve into a "**GALACTIC BEING**" called "**GALACTICA HUMANA**" (= **GALAHUMAN**) (= **G-MAN**), A **SCOGOSTOLOGIST** who has become a **GALAHUMAN** is also called **GALAHUMANOLOGIST, GALAHUMANITARIAN or GALACTOLOGIST**.

The art of being a **GALAHUMAN** or **GALACTOLOGIST** is called
"GALAHUMANOLOGY," "GALAHUMANISM" or **"GALAHUMANITRONICS"** or
"GALACTOLOGISM," (GLM) or **"GALACTOLOGY," (GLG.)**

"T.I.T-GDS" is the alchemical and hermetic union of subjective and objective sciences of reality and existence achieved through the knowing, development and harnessing of the inner and outer powers of the mind in order to become enlightened, achieve Immortality and evolve into a "**GALACTIC BEING**" called "**GALACTICA HUMANA**" (= **GALAHUMAN**) (= **G-MAN**), A **SCOGOSTOLOGIST** who has become a **GALAHUMAN** is also called **GALAHUMANOLOGIST** or **GALAHUMANITARIAN**.

The art of being a **GALAHUMAN** is called "**GALAHUMANOLOGY**", "**GALAHUMANISM**" or "**GALAHUMANITRONICS**".

THEREFORE, YOU HAVE:

The **foundation** of **SCOGOSTOLOGY, (SGSG)** rests on four pillars, which are: **AWARENESS, CREATIVITY, POWER AND BEAUTY (ACPAB)**

SCOGOSTOLOGY, (SGSG) has **ten treasures** that every **SCOGOSTOLOGIST** must cherish and reap.

THE TEN TREASURES OF SCOGOSTOLOGY, (SGSG)-GALAHUMANISM, (GMM) ARE:

(1) The Body (creating awareness of the body)

(2) The Mind (= Spirit) (creating awareness of the mind)

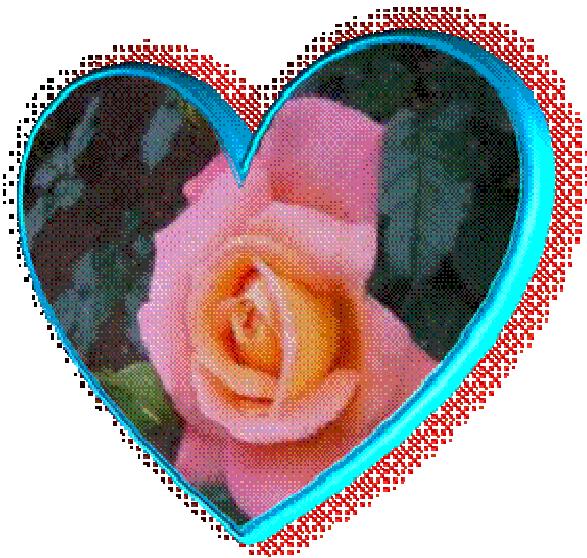

**(3) Male and Female Sexual Energy-Life Force
(Conserving, purifying and transmuting it into a Spiritual Force)**

**(4) Breath (Prana, Chi, Ki, Consciousness)
(Training and controlling the breath so as to acquire the powers, which it controls)**

**(5) Purification and training of the Body
(To create a "Diamond body," which is hard enough to ensure the smooth flow of pranic energy in all the energy pathways)**

(6) Purification and training of the Mind and Senses (withdrawing the mind and senses from the material world to conserve and accumulate their energy and use it to activate the dormant and inactive "Inner senses" and "No-mind.")

**(7) Concentration (focusing) of the mind
(Focusing the mind on one object to the exclusion of others)**

(8) PROCONTENTION (PCN) = THE PROLONGED CONCENTRATION OF ATTENTION EXCLUSIVELY TO AN OBJECT OR IDEA OR NOTHING.
Or CONPROCON- CON-CENTRATED PRO-LONGED CON-SCIOUSNESS (= Dhyana, Chan = MEDITATION = non-interrupted continuous concentration on one object or goal)

(9) Acquisition of Divine Powers and creativity through Alchemical and Hermetic transmutation.

(10) Exploration of Inner worlds (= Micro-worlds through the practice of Microphysics) and Outer worlds (= Macro-worlds through Macrophysics) so as to become free from nature and the cycle of life and death, in order to attain Lesser and Greater Enlightenments (= Micro-Enlightenment and Macro-Enlightenment), Immortality, GALAHUMANITY and Bliss.

From now on, human beings must embrace SCOGOSTOLOGY, (SGSG)-GALAHUMANISM, (GMM) or be destroyed through nuclear annihilation. Time is running out!

A person who is not a **SCOGOSTOLOGIST** is a **DDRONE**.

DDRONE means "**DARK OR DESTRUCTIVE ORDER OF NEGATIVE EXISTENCE**".

The few human beings who brainwash, manipulate and exploit the Drones are called **CRONES**.

CRONE- means **CRAFTY ONES**.

A **DDrone** is a human being who was born into the society and had been brainwashed, conditioned and programmed with invalid information about life, the world, Existence and Reality from infancy, so that whatever he does in life by applying those information brings failure, suffering and misery to him or her.

A **DDrone** suffers from **DRONITITIS**.

DRONITITIS is the condition of deep hypnotism due to brainwashing and programming done by society at home, school, job places and by peers, associations, secret societies, clubs and non-spiritual organized religions of the world.

A **DDrone** is a human being who is infected with a schizoid virus by the **CRONES** that makes him/her to have distorted and invalid perception of Reality.

Therefore, he or she is divided within and in conflict with him/herself and his/her energy is divided.

Therefore he or she is un-natural, weak, have no peace or power and is uncreative, unproductive and miserable.

This is schizophrenia. **DRONITITIS**.

This is the division that exists in the psyche of most humans that the **CRONES** have created in them that have placed them in bondage to nature and in deep hypnosis and what is the root cause of the schizophrenic split personalities of human beings and why they are **DRONOIDS, SCHIZOIDONS, SUBCOMANS** or in extreme cases **SUBCOMANIACS**.

Inside the psyche of the **Drone**, both God (good) and the Devil (bad) are in constant struggle and at war.

This division and war inside is also reflected in the life of the Drone in the world, outside him.

When God dominates and wins a temporary victory, the **DDrone** feels happy and praises God and uses that to validate the brainwashing that the **CRONES** have done to him through his religion that God is good.

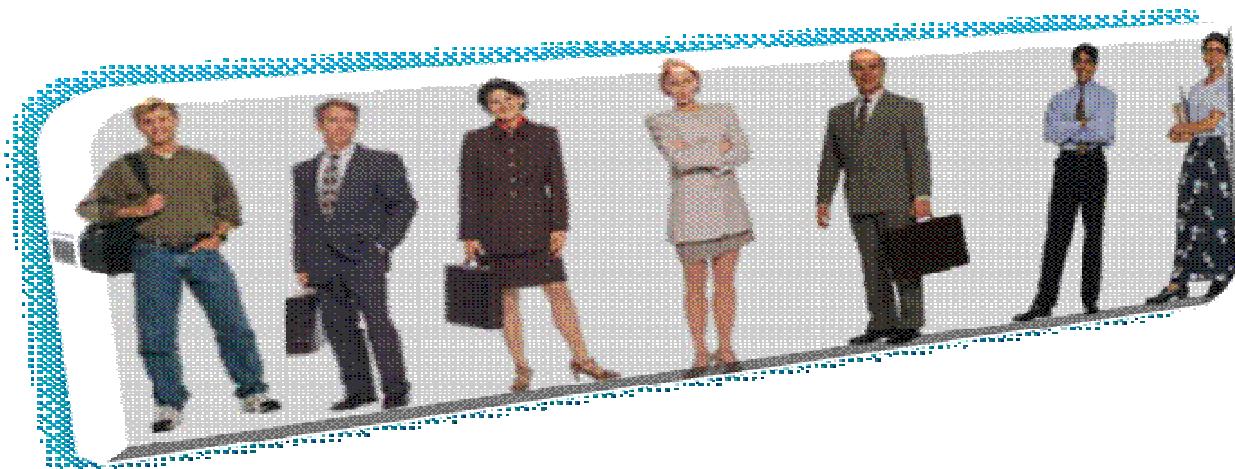

But when the devil dominates and something bad happens to him, he or she curses him and begs God to defend and protect him from the devil and again uses that to validate the brainwashing that the **CRONES** have done to him through his or her religion that made him to believe that the Devil is bad and evil.

The drone does not know that both God and the Devil are the same one force that operates in nature but manifests as a duality and is neither good nor bad.

The **CRONES** are the **POWERS THAT BE (PTBS)** and are the elite, the masters and remain invisible and absent from the public. They use their agents to control the public.

The **agents of the CRONES** are people who support the status quo or engage in revolutions (including political, social and legal) to replace the status quo with a new one that is equally oppressive and evil.

They are parents, teachers, politicians, civil servants, intelligent agencies, professors, professionals, schools, publishers, organized and non spiritual religions of the world and their various denominations and cults, priests, mystics, churches, synagogues, temples, mosques, clubs, various secret societies, associations, unions, organizations, foundations, charitable organizations, non-profit organizations, the media, internet, banks traditions, morality, conscience, and countries, groups, awards, grants, various rules and regulations, the Congress and various parliaments, authors, book writers, movies, documentaries, music, polls, parades, ceremonies, public holidays, criminals and organized crimes syndicates and prisons.

THEY ARE CALLED- THE VOBOS, VOMOS, VOSOS, VOLOS, VOCOS AND OTHERS.

Their meanings are:

- (1) VOBOS-Vampires of the Body**
- (2) VOMOS-Vampires of the Mind**
- (3) VOSOS-Vampires of the Soul**
- (4) VOLOS-Vampires of the Law**
- (5) VOCOS-Vampires of Countries**

CRONES use **VOBOS, VOMOS** and **VOSOS** to plant trees of problems-social, economic, health, sexual, ethnic, racial, educational, monetary, mental, psychological, psychiatric, religious, spiritual, environmental, ecological and other types of problems.

The **hypnotism** used in controlling the **Drones** is indirect and very subtle and so it works very forcefully without the**Drones** being aware.

The **CRONES** are the **Powers That Be (PTB)**, very crafty and use various types of sophisticated techniques and various agents to control and manipulate the public, the Drones.

The indirect and invisible means by which the Drones are controlled is called **SISTECH**-which means-
SUBTLE INVISIBLE SUBLIMINAL TECHNIQUES.

The counter techniques used to wake Drones up from **hypnotism** is called **DVDTECH**-which means **DIRECT VISIBLE DECONSTRUCTION TECHNIQUES.**

Through **DVDTECH**, a **Drone** is awakened from deep hypnotic state that he or she has been placed since birth.

When a **DVD TECH** is used to wake up a Drone, he or she is said to be a **POPE**. A **POPE** means "**PROGRESSIVE ORDER OF POSITIVE EXISTENCE**" or a **Celebrant, a Celebutant**.

The art of wakening up from deep hypnotism is called **Celebutanity** or **Celebutanism**.

There are **techniques** and **devices** to work on the **Body, Mind, Spirit and Soul**, so as to **develop, cultivate, purify, harmonize and unify** their energies into one so

that God would be born. (**Galahumanism.**)

Some of these techniques are:

(1) THE BODY TECHNIQUES:

- (a) BCTS-Body Control techniques
(Scogostology postures.)**
- (b) BPTS-Body Purification Techniques
(Scogostology diets)**
- (c) BECS-Body Energy Control
Techniques (Breathing)**
- (d) STT-Sense Training Techniques**

(The five senses, imagineering, subliminals, biorythms

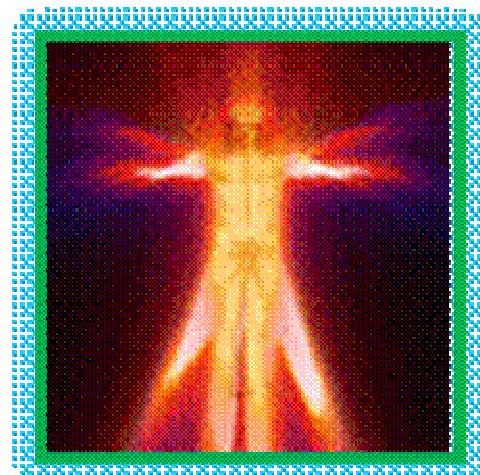

(2) THE MIND TECHNIQUES

- (a) DVD Techniques-Direct Visible Deconstruction Techniques**
- (b) MRTS-Mind Reconstruction techniques**
- (c) MITS-Mental Integration Techniques**
- (d) MPTS-Mental Purification Techniques**
- (e) MCTS-Mental Consolidation Techniques**
- (f) METS-Mental Empowerment Techniques**
- (g) MPPTS- Mental Power Projection Techniques**
- (h) MTTS-Mental Transcendence Techniques**

(3) THE SPIRIT TECHNIQUES

- (a) SCTS-Spiritual Construction techniques**
- (b) SATS-Spiritual Activation Techniques**
- (c) SPTS-Spiritual Purification Techniques**
- (d) SPPTS-Spiritual Power projection Techniques**

(4) THE SOUL TECHNIQUES

- (a) BMSS-Body-Mind-Spirit-Synthesis
- (b) GDS-Galahumanological Development System
- (c) OSHONISM-The 360 Orders of The Shinning Ones

THE WHOLE WORLD IS ONE GIGANTIC MAD PRISON

This world is like a prison, called DRONICITY, originally conquered and owned by people called ANGLOIDS.

However, due to their cunningness, the CRONES have taken the prison city over.

The **CRONES** are not the original owners of **Dronicity**.

The original owners were the **Angloids** or the **Angloidians**.

(ANGLOIDS means "The Ancient Glamorous Order of Ingenious Dragons").

The **Crones** took over **Dronicity** indirectly through a **subtle and tricky means**.

First they formed **secret societies** that they used to recruit the **VAMBOMS**.

(**VAMBOMS** means “**VAMPIRES OF THE BODY, MIND AND SOUL**”)

A **SCOGOSTOLOGIST** who works hard to spread **SCOGOSTOLOGY (SGSG)** is called the **Prince of Peace, Power And Prosperity**.

He is also called an **Ambassador of Peace, Power And Prosperity**.

A person who exists in the regular and common way of life of the majority of the public is said to be a **Drone**.

He said to suffer from **Dronitism** or **DRONITITIS** or **Dronerrhea**.

A person who suffers from an extreme form of **DRONITITIS** is said to a **DRONTARD**. This is called **Drontardism**.

One must wake up from **DRONITITIS** and stop being a Drone to become a **POPE**.

When one begins to work on his body, mind and the Spirit, in order to live a positive, progressive, creative, healthy, wealth and happy life, one is said to be a **SCOGOSTOLOGY PRINCE**.

PRINCE means "**PROGRAM FOR REALISTIC, INTEGRATED NATURAL AND CREATIVE EXISTENCE**".

The female is called a **SCOGOSTOLOGY PRINCESS**.

A **Drone** is also called a **DRONOID** or **SCHIZOIDON**.

SCHIZOIDON means "**SCHIZOPHRENIC DESTRUCTIVE ORDER OF NEGATIVE EXISTENCE**".

The condition of being a **Schizoidon** or a **Schizoidonist** is called **Schizoidonism**. A **Drone** or **Dronoid** or **Schizoidon** or **Schizoidonist** is a person who has been hypnotized and manipulated from birth and fed distorted ideas of Reality that have fragmented his or her psyche so that it is split into many parts that are disassociated, in conflict and at war among themselves.

When a person suffers from **Dronitism** and his/her psyche is fragmented, the person becomes uncreative, mystical, irrational, unnatural, recessive, destructive, unproductive and in conflict with himself, other human beings and nature.

No matter what a **Drone** does, it ends in suffering and misery. This is the condition of most average human beings.

This includes the rich and the poor, the successful and the flops.

The average human beings are divided within, have multiple personalities, are irrational, have magical-minded mentality from conditioning by their religion, mystical, negative-minded, are unnatural, in denial.

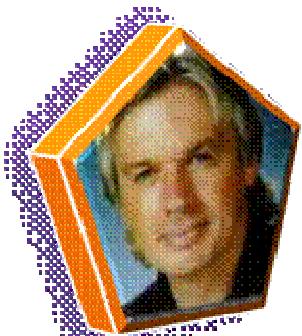

Drones cannot afford to be without a war in one form or the other.

There are **many types of war, full scale war, small scale war, large scale wall, noisy war, silent war, political war, economic war, family war, marital war, gender war, racial war, ethnic war, religious war, holy war, technological war, ideological war, philosophical war, biological war, sexual war, business war, intellectual war, class war and so on.**

Division breeds wars.

All drones are continually at war, and always replacing one type of war with another.

A drone cannot exist without one type of war another because it helps him or her to repress the inner conflict and war inside his/her psychic.

When your psyche is divided, your perception of Reality would be divided too and no matter what you

do, you would not have peace.

And if you don't have unity and peace, you cannot have power.

To be prosperous, you need energy and power, so when you don't have peace, you would not have power and prosperity and the result would be misery.

This is what being a Drone is about and **DVD Tech** is the weapon with which **SCOGOSTOLOGY (SGSG)** uses to combat **Dronitism** or **DRONITITIS**.

Through DVD Tech and **TMT (Transcendental Mental Techniques) SCOGOSTOLOGY (SGSG)** aims at integrating the fragmented psyche of human beings to fuse it into one which was its original nature so that the person would have one perception of Reality and that would be when God would be born and the person's Spirit or Soul would crystallize and so

the person becomes a **GALAHUMAN** or a **GALAHUMANIST** or **GALACTOLOGIST**, who exists in Eternity, having transcended the body, the world, mind, time, life and death.

SCOGOSTOLOGY, (SGSG) is the messiah and the golden key that would free both the VAMBOMS and the Drones from their unfortunate subjugated situations in life because it would help them to build their Spirits and Souls so that they would become Spiritually Enlightened.

By becoming Spiritually Enlightened, they would unite with Existence and would at last have peace, power, prosperity and happiness.

A **SCOGOSTOLOGIST** is a person who practices **SCOGOSTOLOGY ALCHEMY**.

The Average human being has a fragmented psyche and being, therefore he or she is divided inside.

This inner division creates the outer division in the physical world and causes whatever he or she does to end in failure, suffering and misery.

This is hell.

He or she is **trapped in a vicious circle of life and death** that forces him/her to re-incarnate endlessly trying to work out his or her karmas that are endless because with each new incarnation, new karmas are created, therefore, his or her **SUFFERING is endless**.

SCOGOSTOLOGY ALCHEMY is the secret of using **SCOGOSTOLOGY DVDTECH** to integrate the fragmented psyche by uniting all the dual energies of the body and mind.

First, the body must be cultivated by uniting all of its dual energy-**the energy of the organs of the body and sex; the two eyes, the two breaths, the ida and pingala, yin and yang, the two brains.**

By uniting them and purifying them, they are made ready to be absorbed by the Mind.

The Mind is also cultivated by uniting all of its dual energy, the animus and anima, conserving it through the regulation of the five senses , which are the gateways through the mind spends all of its energy.

When the energy of the body and mind are united and purified and are integrated into one, this union is called **SCOGOSTOLOGY UNIO MYSTICA** because it is the art of being "**BORN AGAIN**" which gives birth to the SOUL. This is what it means by to be born again in **SPIRIT**.

When the **purified energy of the body** is united with the **purified energy of the Mind**, the **SOUL** is born.

A **Soul** is an independent unit of **GOD** or **VOIDON** that can exist alone.

This is **SCOGOSTOLOGY SPIRITUAL LESSER ENLIGHTENMENT** (or **SUBJECTIVE ENLIGHTENMENT**) which is symbolized by **SCOGOSTOLOGY STONE OF SPLENDOR (SOS)**.

SCOGOSTOLOGY, SGSG is the alchemical harmonious development of the inner potential of a human being that helps the person achieve spiritual enlightenment to become a gala humana or Galactical Human or Galahuman or Galahumanologist or a Galactologist.

SCOGOSTOLOGY is interested in solving the problems of individuals and help to create infinite possibilities for humanity and by doing so, help make the World a better place to live.

SCOGOSTOLOGY is about spreading the truth, Love, Freedom, Knowledge, peace, Happiness, Prosperity, awakening people to reality, advancement in life, health and business.

SCOGOSTOLOGY seeks to provide a forum for dialogue about issues of interest to human beings all over the world.

We hope, as we work toward this goal, that our resources will rapidly grow in popularity and strive to achieve a better understanding of our quest for the emancipation of all oppressed people globally.

SCOGOSTOLOGY and GALAHUMANISM will provide wide ranging insights into life and how to evolve into higher beings.

In order to further these goals, we are committed to working vigorously to build our resource into a multi-lingual celebration of the exquisite delights of life to further human rights and equality for all persons regardless of race, creed, national origin, gender, sexual orientation, disability, or age and to instill respect and celebration for life and our planet in all.

True emancipation, however, begins neither at the polls nor in the world's courtrooms.

It begins with the individual desire to becoming self actualized with the help of a loving mentor (gardener=Galahuman) who is willing to carefully

fertilize and tend to the growth of the emotions, spirit, and intellectual flora of the garden of the individual's soul -- by clothing their souls with honesty, goodwill, charity, appreciation of forms of beauty in life, clarity of vision and creativity, so as to attain rapid success in spiritual enlightenment and galahumanism.

Let us search to seek shade from the oppressive heat of tyranny; and let not our souls thirst and wither in the absence of the rainfall of reason.

Thus, why not join us in working hard to cultivate a garden of love so that we may proclaim: Here is an oasis of shade. Here are the refreshing waters of reason.

Come, fill your heart with understanding, linger, relax, drink deeply of the exquisite delights to be found herein by lovers of life and humanity everywhere.
